**Earning a Voyagers Badge is something to be proud of, as it serves as a reminder of your commitment to the Voyagers cause – Building Men according to what scripture tells us men should be. This is not an easy road, and that is exactly why the Voyagers Trips are not easy canoe paddles, but rather they are typically more challenging. This fall, the select group of young men holding a badge will have the opportunity to experience the next level of wilderness canoeing.**

**QUESTIONS: Please let us know if you have any questions. We are able to provide loaner gear, dry bags and of course the large Canoe Packs for all of your gear.**

**Please contact us by any of the above listings.**
